PORT LEYDEN

Where the river valley widens,
 Black river stately flows,
 Stands the High School of Port Leyden
 Neath the hills it knows.

Alma Mater, give us wisdom,
 Love and strength to do,
 Make us see the beauty round us,
 Teach us to be true.

High School days will soon be over,
 Swiftly gliding by,
 Cherish then each passing hour,
 Let them linger nigh.

❧ Dedication ❧

There is a guiding light in the Port Leyden Central School that leads the students in the right paths of knowledge and helps to solve their problems and troubles. It is ever steady, willing, and understanding. We wish to honor with the fullest sincerity, the creator of this light, Mr. Luther Meekins, by dedicating this 1953 "Portal" to him. We especially appreciate the two years that he was our able and willing advisor.

In ~ Memory ~

We, the Senior Class of Nineteen Hundred and Fifty Three, wish to leave our yearbook the "Portal" in memory of Wilbur T. McManus. We shall always remember his pleasant and kind ways and the many times he made our lives more cheerful. The many bus trips for which he drove will always be remembered.

Freshman Year

HISTORY

Early one bright September morning in the year 1949, the mountains of Port Leyden echoed with many shouts, as twenty seven hillbillies made their way to the village school house, Port Leyden Central High. We had finished grammar school and were ready to step higher up the ladder of learning. We were under the leadership of Mr. Thomas and Peter Parrish our Freshman year. They guided us through many gay times. During the year two more hillbillies joined our ranks in the form of Ellen Sackett and Donald Greene. The proceeds from the two raffles held, went to the March of Dimes Campaign. Spring came and with it the annual kiddie carnival. This was a big success and the \$132 obtained from this venture started us on our way to the big city of New York. We were all sorry to lose Joe Zeosky and Barbara Vollmar that spring.

Sophomore Year

With the fall of 1950 we once again congregated, this time to be supervised by Mr. Meekins and Hazel Gardner. The fun and excitement of joining in the many activities consumed our time and soon the big day arrived on which we chose our class rings. Here a regular mountain feud was entered into. Finally after much debate we decided to break school precedent and purchased round rings instead of the traditional rectangular shaped ones. Many sports, plays, music concerts, cheerleading and clubs found many of our classmates present. The big event of our Sophomore year was having our first dance. This took place in the early spring. The money from this and various bake sales boosted our treasury to over \$200. During this time we were happy to have Thelma Beck and Marion Mashaw join us only to lose Robert Rocker, Kenneth Mooney and Bernard Quinn. This year held a special significance for us as the taxpayers of our village voted to build an addition to our dear Alma Mater.

Junior Year

Once again as autumn came we took our books and started for P.L. High. As we gathered at the door we had many speculations as to where our homeroom would be. Soon we were told to go downstairs to the library and here we found Mr. Meekins waiting once again to lead us. We jokingly named this room "the Dungeon." The one dark spot on our happy minds was the memory of Lenord McDougal who had died during the summer. Peter Parrish soon left for Manlius. However, we gained two additions---Sue Walsh and Dolorus Matusczak. We soon decided Arthur Scouten should lead us as President! The thrill of receiving class rings was soon experienced. The next of our activities was selling school pins and booklets to our fellow students. A class party was held in the basement of the Leyden Elm Restaurant. Later a Christmas and two spring dances were enjoyed. Many in the class sold refreshments outside the school to construction workers. In the spring a bake sale and paper drive were sponsored. This active year was finished with making the Seniors Banner, attending their commencement, buying their rose corsages, and giving a ball in their honor. The ball was held in the Boonville Auditorium.

Senior Year

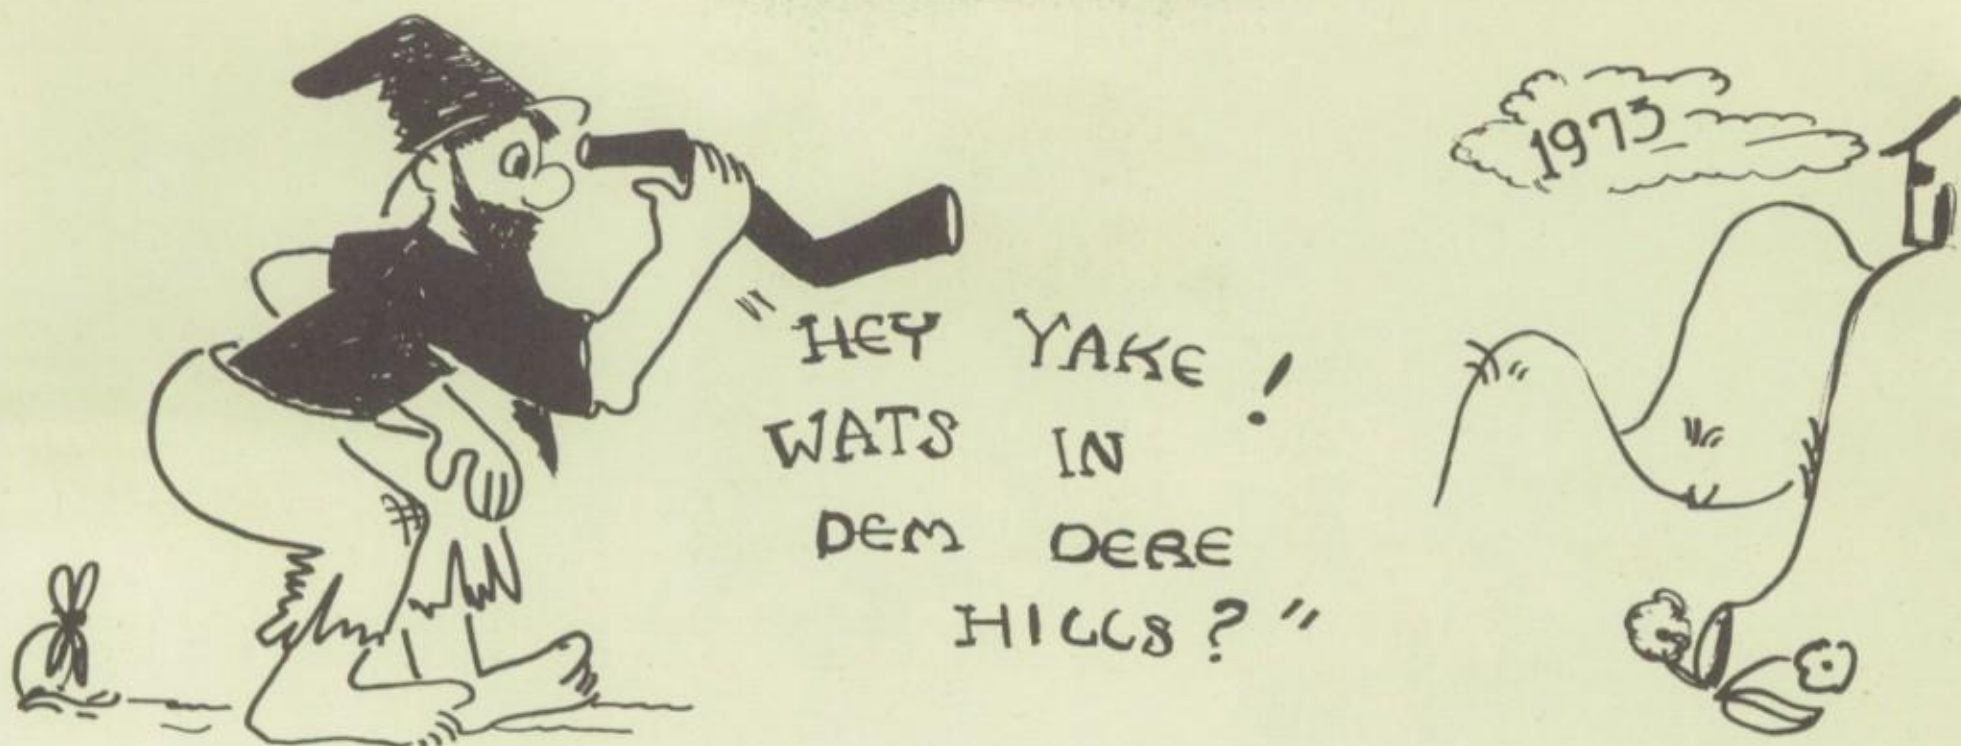

We were a jubilant group as we entered the portals of Port High to fill in the last rung of the ladder in the fall of 1952. Mr. Royal was there to supervise and instruct us. Jane Mangan was elected President and Franklin O'Brien departed for Manlius as our last year began. Arrangements to sell magazines were soon under way and a vigorous campaign was carried on. Each fellow hillbillie went from cabin to cabin to see if folks wouldn't care for a little readin' matter. It seems they did for our goal of \$1,000 was soon reached---of this the class profited \$400. Graduation invitations were selected and Caps and Gowns followed. We mountain folk decided our girls would graduate in white and our boys in maroon. School had not been long in session before our yearbook "The Portal" was started with Ellen Sackett as Editor. Mrs. Derby served as a very able faculty advisor. Felt P.L. dogs were next on our selling list. To have the first dance in the new gymnasium was a desire close to many of our hearts. This was fulfilled in December when our gala Christmas dance was held. The Senior play was put on in the spring. The cast and remainder of the class under the direction of Miss Gallivan presented a production which will long be remembered. Various other dances and bake sales were given throughout the remainder of the year. In June a trip out of our mountains to New York City was no longer a dream but instead a reality. The class experienced an exceptionally nice weekend to add to our long list of high school memories. On the Nite of June 23, 1953 we gathered together for the last time as a class. While parents, teachers, and friends looked on, we hillbillies received our diplomas. Setting our tassels and selves aright, we stepped out of the mountains to receive experiences on the broad avenue of life.

On this, the 23rd day of June, in the year one thousand nine hundred and fifty three, We, the Hillbillies of the "Portal" being of sound mind, leave this as our Last Will and Testament:

Patty Beck leaves her ability to stay with one boy to Pat Moore and Phyllis Mooney,
 Don Greene leaves his long reach to the basket to John Reilly and Jim Buneo,
 Mary Hoard leaves her ability to be to school on time to Fred Ripp and Bill Smith,
 Raymond Croneiser bequeaths his ambition to Steve Post,
 To Sharon Mooney, Thelma Beck leaves just a wee bit of her shyness,
 To Walter Moscicki, Danny Buneo leaves his colorful shirts,
 Jane Mangan, leaves her ability of finding boyfriends with cars to Shirley Stewart. She
 lives so-o far away,
 Larry Dexter, leaves his excuse supply to Paul Rocker,
 To Dorothy Fox and Elizabeth Farnham, Marion Mashaw leaves her Homemaking classes and ability,
 Larry Ernst, leaves his ability to get along with teachers to Pat McIntyre,
 Lois Farr, leaves her quietness to Rose Hoffman and Betty Burr,
 Bill Fraser, leaves his pencil and paper supply to Philip Boshart,
 Ellen Sackett, leaves her arguments with Mr. Royal to Mary Beck and Sally Sessions,
 To Darlene Rocker, Felix Kornatowski leaves his "hunting" compass. He also leaves this to
 Raymond Borden,
 To Rosemary Post, Catherine Scouten leaves her ability to ask silly questions,
 Adolph Kulpa leaves his "barn Dance" schedule to Bill Korman,
 To Sandy Chase, Sue Walsh leaves her art ability so that she can draw a breath,
 Arthur Scouten, leaves his road-map to Gouldtown to Fred Cole,
 Dolores Matuszczak, leaves her co-operative ways to Colleen Hall and Pat Keohane,
 Redmond Wilcox, leaves his ability to wiggle out of rash statements to June Reese and his
 brass to Harry Walsh who is so-o shy,
 Kay Spencer, leaves her ability to make conversation to Jenny McIntyre and Helen Moshier,
 Marlene Post, leaves her yes and no smile to Shirley Belknap and Betty Lustyik,
 Hazel Gardner, leaves her "sway" to Mary Cox and her "blonde hair" to Nancy Riley.

All means of transportation has broken down in Lewis County so Raymond Croneiser who owns all the farms on the East Road has hitched up a span of spirited horses and is making it possible for all members of the Class of '53 to attend their twentieth year reunion at one of the Restaurants in the "Kay Spencer Chain." She really put Howard Johnson out of business. But why shouldn't she? After all, wasn't she supplied with prime beef from Adolph Kulpa's thousand acre ranch? He sure made the sandhills east of Port Leyden pay off.

Among the first to arrive is Felix Kornatowski, who is now head of the Conservation Department in New York State and Redmond Wilcox who is merely stopping off for the reunion en-route to Sun Valley where he will take up his new duties as Ski Instructor. He has just developed a new ski system known as "The Wilcox Slip." Dolores Matuszczak came across the Atlantic with Redmond. Dolores has been designing clothes in Paris under the direction of that Internationally famous designer, Hazel Gardner Reed. We now see Nurse Catherine Scouten wheeling in Six-Star General Donald Greene who met with an accident while inspecting front line fighting on the out skirts of Moscow.

Larry Dexter just arrived with his wife and three sons from Saratoga where he has been running the Paramutual Betting Machines for the state of New York. He hasn't missed a race yet. Arthur Scouten arrives with his family from the suburbs of Rochester where he has just completed constructing his third suburban housing project. This latest project completely surrounds Pat and Sam's music conservatory which is now operated by the former Patricia Beck and her husband, well known as a baseball player. Bill Fraser just flew in after a very successful year of managing the very successful basketball team "The Syracuse Nats." Bill retired after playing nineteen years of "Pro" ball and is helping Sandy with the ten little "hillbillies."

A glance across the table finds Sue Walsh within an array of blueprints trying to convince the very successful farmer Daniel Buneo, that she should be the architect when he constructs his million-dollar ranch house with a built-in swimming pool. We find that Thelma Beck is a trouble shooter for the Bell Telephone Company who has as general manager that very successful business woman, Miss Marlene Post. Among the late arrivals is Larry Ernst, Secretary of Agriculture and arriving with him from Washington is Miss Lois Farr, White House Secretary. Marion Mashaw has just arrived. She has been spending the last twenty years in New York City being very successful as Business Manager of Macy's Department Store.

Noted among other successful members of our class is the very successful housewife Jane Mangan Waite accompanied by her youngsters and husband. Bud and Jane have been living the last three years at Los Alamos, New Mexico. Late as usual we have Miss Mary Hoard and Mrs. Ellen Sackett (your guess is as good as ours) who are two very successful professional women. Mary is now Superintendent of Strong Memorial Hospital in Rochester. Ellen is setting up a school for the United States Government on the island of Pago-Pago.

As a class I think we should thank Kay Spencer for her hospitality, Raymond Croneiser for his transportation and Adolph Kulpa for those fine steaks. As we take our own separate ways again, each is looking forward to our next reunion twenty years hence.

Who'd have thought Ellen so quiet,
would grow up to be such a riot.

Thelma sweet and
shy, here's a gal
you don't pass by.

Wide eyed Marion a Home-
making major, A good wife
she'll make, that we'll
wager.

Blushing Kay with a
big personality,
always lives up to
reality.

Here's our Arthur with
his curls, handsomer
than ever isn't he girls?

A quick wit and
an arguement
ready, here we
find Billy, who
likes to go
steady.

As still as the night
is little Mary, A
nurses cap, she soon
will carry.

Artist and dreamer of our class,
Susanne Walsh is quite a lass.

She is poised with-
out a fear, when
Dolores talks we all
draw near.

Redmond started young
we see, A big talker
and skier to be.

Lots of sleep is his aim,
Larry Dexter is his name.

Little Egypt
is a girl,
A little twist,
A little twirl.

A pleasant smile, a
friendly way, Marlene's
the same, every day.

Glistening hair,
Lilting voice,
Music career is
Patty's choice.

A joke to tell,
and fun galore,
Long limbered
Donald, has the
floor.

Pretty Lois quiet
and serene, the
one gal who doesn't
try to be seen.

Raymond will always
take a dare, with
his flirting smile,
and coal black hair.

Adolph Kulpa is his
name, being a farmer
is his fame.

Thats our leader,
thats our Jane,
her smile is
there, her temper
not tame.

Felix who
thinks with
all his
might, finds
hunting and
fishing his
delight.

Letters, laughter,
jokes, and dances,
Catherine's there
to take the chances.

Wind, rain,
and snow so
deep, Larry's
there with
his little
jeep.

SKI CLASS

SOCCER

The soccer team won its fourth straight Lewneida League Championship this year with a record of seven wins and one tie. The maroon and whites started off the season in fine style by defeating Boonville 11 to 1. In their second game they were held to a 6 to 6 tie by their arch rivals West Leyden. In their second game with West Leyden they won by a score of 6 to 3. The teams battled most of the second half at the score of 4 to 3 when Larry Dexter put in the assurance goal with 20 seconds to go totaling the above score to cinch the Championship. Bill Smith played a very good game in the goal by making some very good stops. The team averaged 11 points per game. Seniors who will not return next year are Bill Fraser, Larry Dexter, Donald Greene, Arthur Scouten and Redmond Wilcox.

VARSITY BASKETBALL

The Port Leyden Basketball Team is well on the way to another great season as our book goes to press. The team led by seniors Bill Fraser, Larry Dexter, and Donald Greene have built up a record of 11 wins and 1 defeat. June will leave the basketball cupboard quite bare, as the following nine classmembers will be graduated. Don Greene, Larry Dexter, Bill Fraser, Raymond Croneiser, Arthur Scouten, Danny Buneo, Adolph Kulpa, Redmond Wilcox, and Larry Ernst have all figured in the record of 74 games won and 7 lost during our four years in high school. Our boys and coach deserve a lot of credit.

JUNIOR VARSITY BASKETBALL

The Junior Varsity Basketball Team got off to a slow start by losing its first three games to West Leyden, Old Forge, and Poland. They then began to find themselves and turned back Glenfield, who was at that time undefeated. Once again they reversed a decision against Poland by a thrilling one point victory.

SKI TEAM

At press time the ski team has not competed in any team meets. They will compete as a team at the Section Three Meet, the Lake Placid Winter Carnival, the Lewneida League Meet and the Old Forge Interscholastic Meet. The Port Leyden skiers have placed well in several individual meets. Redmond Wilcox placed 2nd in the Downhill and Slalom Combined Championship Meet; Jean Daly placed 2nd and Sally Cox placed 3rd in the womens' division of the same meet. Katherine Cox won the girls' division of the Bromley Interscholastic Giant Slalom. At the Old Forge Winter Carnival Redmond Wilcox placed 5th in both the Downhill and Slalom. William Smith placed 7th in the Slalom. The other members of the ski team are Raymond Borden, Philip Boshart, John Reilly, Richard Borden and Sidney Weber.

GIRLS INTRAMURALS

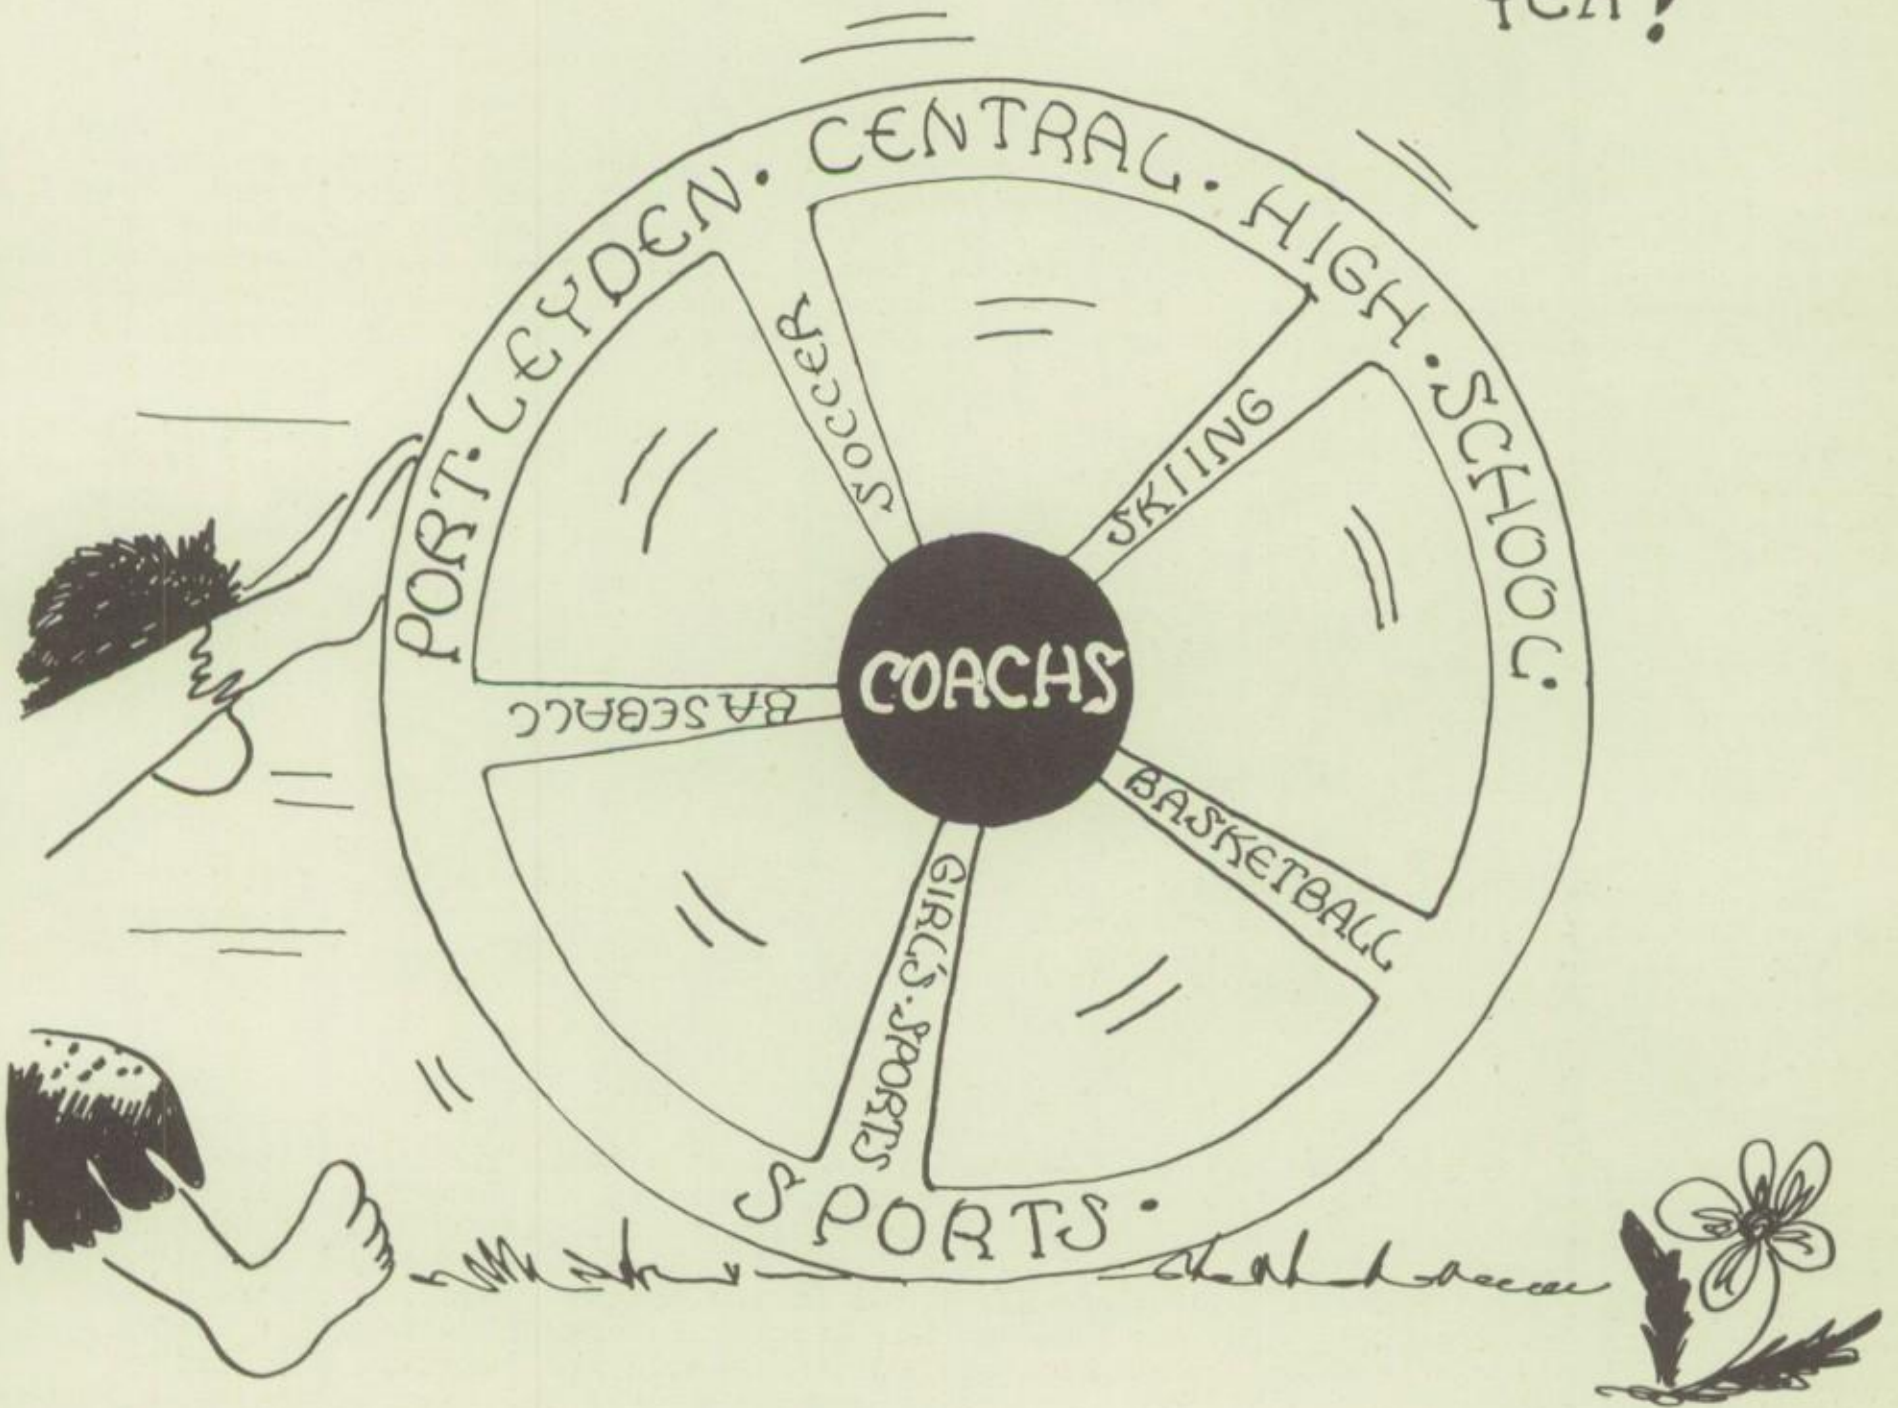

Due to the late completion of the new school addition the girls intramurals basketball league got off to a late start. Teams were not organized until after mid-year exams. The league is composed of four teams and they will play each other once with a play off of the two top teams at the end of the season.
